Override Accessories

Emergency Handheld Override (EHO)

Safemark's EHO provides added security with password protected access via easy-to-use software. This comprehensive audit trail saves time and money while reducing fraudulent claims.

Optional MIWA High Security Override System

The patented, high security cylinder with side bar technology can be quickly reprogrammed onsite up to 10,000 times. This industry exclusive technology is installed at our company-owned factory to save time and money while eliminating the risk of duplicate key systems.

Construction

- Cold-Rolled Steel Door
- 1.5mm (13 Gauge) Steel Body
- Two 3/4" (19mm) Diameter Locking Bolts
- Laser Cut Door with Hidden Hinges
- Scratch Resistant Powder Coat Finish
- Optional Tamper-Proof Hardware
- Optional Security Cable for Furniture Attachment
- Quick Access Battery Panel (Uses 4 AA Alkaline Batteries)

Warranty

The DN 5.4 includes a five-year manufacturer's warranty and an exclusive \$10,000 limited warranty against forced entry.
